Step THREE: If this is your first time to Airbnb, it will take you through additional steps (listed below) to complete your Airbnb account setup.

1. Provide your contact number, for the host to be able to reach you
2. Add your photo ID (License, Passport or ID card)
3. Take a photo of yourself to confirm the ID is yours

Before you book, let's add your ID

A government ID helps us check that you're really you. It also helps us keep Airbnb secure, fight fraud, and more.

We'll ask you for a photo of your ID, and you'll only do this once. How does this work?

Your ID isn't shared with other people who use Airbnb.

Add an ID >

Upload images of your ID

Upload images of the front and back of your ID. Make sure your images aren't blurry and the front clearly shows your face.

Your ID isn't shared with other people who use Airbnb.

Almost done! Now let's confirm this ID is yours

We'll have you take a new photo of yourself, so we can match it with the photo in your government ID.
